

ROB 2040

LAB SIGN-OFF SHEET

Name: _____ Term/Year: _____

Computer Number: _____

**DO NOT LOSE THIS SHEET, NO DUPLICATE RECORD KEPT.
RETURN BEFORE OR AT THE END OF THE FINAL SESSION.**
FAILURE TO RETURN WILL RESULT A GRADE OF **ZERO** FOR YOUR LABS.

ALL LABS ARE DUE BY THE END OF SESSION 14.

PLC LABS ARE TO BE CHECKED DURING CLASS. The program must be in run mode and the HMI running. Print the program to OneNote for your own record of the lab solution.

EACH PLC LAB EQUATES TO 1% OF THE COURSE GRADE.

Studio 5000 and SIEMENS TIA Portal

ASSIGNMENT	INITIALS	DATE
------------	----------	------

SESSION 1

Introduction to Relay Instructions (Studio 5000)		
Introduction to Relay Instructions (Siemens)		

SESSION 2 *See note on Instructor guided labs.*

Washer Station (Studio 5000)	<i>Instructor guided lab</i>		
Washer Station (Siemens)	<i>Instructor guided lab</i>		

SESSION 3 *See note on Instructor guided labs.*

Cylinder Interlocks (Studio 5000)	<i>Instructor guided lab</i>		
Start-Stop Circuits, SS1 (Studio 5000)			
Start-Stop Circuits, SS2 (Studio 5000)			
Start-Stop Circuits, SS3 (Studio 5000)			

SESSION 4 *See note on Instructor guided labs.*

Start-Stop Circuits, SS1 (Siemens)	<i>Instructor guided lab</i>		
Start-Stop Circuits, SS2 (Siemens)			
Start-Stop Circuits, SS3 (Siemens)			

ASSIGNMENT	INITIALS	DATE
------------	----------	------

SESSION 5

Conveyor (Studio 5000)		
Conveyor (Siemens)		

SESSION 6

Mixing Vat (Studio 5000)		
Mixing Vat (Siemens)		

SESSION 7 - See *FactoryTalk View ME, next page*

SESSION 8 – MIDTERM EXAM

SESSION 9

Timer ON Status Bits (Studio 5000)		
Timer OFF Status Bits (Studio 5000)		
Timer ON Status Bits (Siemens)		
Timer OFF Status Bits (Siemens)		
Start-Up Timer (Studio 5000)		
Start-Up Timer (Siemens)		

SESSION 10

See FactoryTalk View ME, next page

Timed Washer Station (Studio 5000)		
Timed Washer Station (Siemens)		
Building Lights (Studio 5000)		
Building Lights (Siemens)		

SESSION 11

Timed Washer Station - Retentive Timer (Studio 5000)		
Timed Washer Station - Retentive Timer (Siemens)		
Conveyor Cascading Timers (Studio 5000)		
Conveyor Cascading Timers (Siemens)		
Parts Diverter (Studio 5000)		
Parts Diverter (Siemens)		

ASSIGNMENT	INITIALS	DATE
------------	----------	------

SESSION 7: Click or tap to enter a date.

HMI SS3		
HMI Washer Station		

SESSION 10: Click or tap to enter a date.

HMI Mixing Vat		
HMI Start-Up Timer		

Instructor Guided Labs

The purpose of an instructor guided lab is to give you the opportunity to gain proficiency with the course's software and procedures. Grade points are based on attendance and completing the lab during that session with the instructor.

Students not in attendance may "backtrack" and complete and demonstrate the lab on their own for grade.
